Your **CLASS OF 2020** YEARBOOK PORTRAIT

Q: What is included in the portrait session?

A: You will be photographed for your official yearbook photo, and the yearbook portrait selected will be provided directly to Enochs High to be included in the 2020 Yearbook.

Q: May I purchase the senior portrait?

A: Of course! Any senior portrait package will include professionally retouched prints ready to frame or give to family & friends. (All packages are detailed on the order envelopes provided.)

Q: What do I wear for my yearbook picture?

A: **LADIES** will need to bring a camisole or bandeau to wear under the black velvet drape. A necklace of your choice also looks great with the classic drape. **MEN** will need to wear a formal white dress shirt with a dark tie. **Shoob will provide jackets and will also have ties in several sizes available if you are unable to bring your own.**

Q: How do I know my picture is included?

A: Once all senior photos have been processed, proofs will be posted on the hall walls just outside C144 for verification and name check. **You will be responsible for viewing the post to confirm your photo, face and name are accurately displayed for inclusion. If you took your photo and it is missing, you will need to alert the yearbook adviser to resolve the issue.**
